

Prostate Cancer  
Foundation of Australia

# Life-changing care

If you or your loved ones have been impacted by prostate cancer, contact Prostate Cancer Foundation of Australia for support.

Our Specialist Nurses can help you navigate your diagnosis and provide expert information and support for your whole family.

## ✓ Here's what men and their families say:

- PCFA Nurses had the biggest impact on my overall state of health, wellbeing, confidence, and ability to manage my diagnosis.
- PCFA Nurses helped to improve my psychological health and wellbeing.
- PCFA Nurses helped me feel more confident in managing my condition.
- PCFA Nurses helped me feel less anxious about my treatment.

## ✓ Here's what the experts say:

- 60% reduction in Emergency Department visits
- 56% reduction in specialist consultation times
- 63% reduction in rate of missed medical appointments
